

# HST Sampler Quilt

## **BLOCK #4: Friendship Star**

Final Block Size: 12.5" square

The Friendship Star Block harks back to the days of the Pioneer Women. The block would be pieced together secretly by a group of women into a special quilt and given to a woman as a going away present. Friends would sign or embroider their names in the centre, giving a sense of connection and memory for the woman to hold on to. \*
